The proceeds of the 2018 Bonds, together with certain other funds, were used primarily to (i) current refund the Senior Lien Dedicated Tax Revenue and Refunding Bonds, Series 2007A; (ii) advance refund the Senior Lien Dedicated Tax Revenue and Refunding Bonds (Convention Center Hotel Project), Series 2010C (Federally Taxable Bonds); and (iii) fund the Debt Service Reserve Account Requirement for each series of the 2018 Bonds.

The Walter E. Washington Convention Center (“Convention Center”) is located in the Mount Vernon Square area of Northwest Washington, D.C., and is one of the largest buildings in the District of Columbia (“District”).

On May 27, 2021, the WCSA issued \$53,500,000 Senior Lien Dedicated Tax Revenue Refunding Bonds, Series 2021A (Tax-Exempt) (the “2021A Bonds”). The proceeds of the 2021A Bonds, together with certain other funds, were used to current refund all of the outstanding Senior Lien Dedicated Tax Revenue Bonds (Convention Center Hotel Project), Series 2010A (Tax-Exempt Recovery Zone Facility Bonds). For additional information, reference is made to the Official Statement dated April 28, 2021.

On May 27, 2021, the WCSA issued \$99,715,000 Senior Lien Dedicated Tax Revenue Refunding Bonds, consisting of \$70,355,000 Series 2021B (Tax-Exempt) (the “2021B Bonds”) and \$29,360,000 Series 2021C (Federally Taxable) (the “2021C Bonds”). The proceeds of the 2021B Bonds, together with certain other funds, were used to current refund a portion of the outstanding Senior Lien Dedicated Tax Revenue Bonds (Convention Center Hotel Project), Series 2010B (the “2010B Bonds”). The proceeds of the 2021C Bonds were used to current refund the remaining portion of the outstanding 2010B Bonds and a portion of the outstanding 2018A Bonds. For additional information, reference is made to the Official Statement dated May 14, 2021.

The 2018 Bonds are without recourse to the District, shall not be a pledge of or involve the full faith and credit or the taxing power of the District (except to the extent that the District imposes and collects the Dedicated Taxes and any Surtax thereon and the taxes generating TIF Revenues), shall not constitute a debt of the District, and shall not constitute a lending of the public credit for private undertakings as prohibited by the Home Rule Act. The 2018 Bonds are not secured by a lien on the Convention Center, the Convention Center Hotel, or any District Sports and Entertainment Facility. The WCSA has no taxing power. Payment of the principal of and interest on the 2018 Bonds is not subject to annual appropriation by the Council of the District of Columbia or the Congress of the United States.

(1) During the fiscal year ended September 30, 2022, WCSA adopted GASB No. 87, Leases. WCSA is the lessor for several leases which required the adoption of GASB No. 87. As part of the adoption, WCSA restated its balance sheet as of September 30, 2021, to account for these leases under the new standard. The adoption required WCSA to record a lease receivable and deferred inflow related to leases of \$18,278,000 as of September 30, 2021 (See Note 1 within the audited financial statements for the fiscal year ended September 30, 2022, for Restatement). The restatement of amounts effective as of October 1, 2020, was not practical.

(2) The WCSA implemented GASB 101 for compensated absences related to sick leave on October 1, 2024, using the Government Financial Officers Association's (GFOA) Days Used Approach to estimate the liability. Based on this method, the WCSA recorded a \$1.3 million liability and expense for sick, vacation, and other compensated absences for fiscal year 2025. For comparison, the calculated impact as of October 1, 2024, was \$1.2 million, and the fiscal year 2024 financial statements have been restated to reflect this amount (See Note 1 and Note 3 within the audited financial statements for the fiscal year ended September 30, 2025, for restatement).

C. STATEMENTS OF REVENUES, EXPENSES, AND CHANGES IN NET POSITION

- (1) In accordance with DC Code § 10-1202.13, Transfer of Excess Cash, if, at the end of a fiscal year, the WCSA's balance of cash and investments in its Convention Center Operating Fund exceeds the balance of current liabilities, reserves, and any amounts the WCSA will need to purchase or redeem its outstanding indebtedness during the upcoming fiscal year, the WCSA must transfer the excess, in cash, to the District's General Fund. Consistent with District legislation, the Master Trust Agreement between the WCSA and The Bank of New York Mellon Trust Company, N.A. (as Trustee), and a Memorandum of Understanding between the District and the WCSA, the WCSA must maintain the following reserves: (1) maximum annual debt service on outstanding bonds and notes issued by the WCSA; (2) an operating reserve equal to 1.5 times the operating and marketing budget; and (3) a capital reserve of 5% of the original cost of the convention center adjusted for inflation. There was no excess cash transfer made in the fiscal years 2023 and 2022. Based on the fiscal year 2022 audit that was completed in November of 2023, WCSA has recorded a liability in fiscal year 2023 of \$9 million in excess cash that WCSA expects to transfer to the District in fiscal year 2024.
- (2) The WCSA implemented GASB 101 for compensated absences related to sick leave on October 1, 2024, using the Government Financial Officers Association's (GFOA) Days Used Approach to estimate the liability. Based on this method, the WCSA recorded a \$1.3 million liability and expense for sick, vacation, and other compensated absences for fiscal year 2025. V. OPERATING INFORMATION

A. HISTORICAL DEDICATED TAX RECEIPTS

The dedicated taxes consist of separate sales and use tax of 4.45% (of the District's 14.5%) on hotel room charges and a sales and use tax of 1% (of the District's 10%) on restaurant meals, alcoholic beverages consumed on-premises, and rental vehicle charges. Effective October 1, 2017, the hotel room charges of 14.5% changed to 14.8% subsequently raised to 14.95% with an additional 0.3% increase going to Destination DC through the WCSA for the purposes of marketing and promoting the District of Columbia as a destination. Effective October 1, 2018, the hotel tax was raised to 14.45%, and subsequently, on April 1, 2023, by an additional 1% for Destination DC, raising the hotel taxes to 15.95%.

The following table shows a ten-year history of Dedicated Tax Receipts transferred to the WCSA and the Total Hotel Sales and Use Tax collected by the WCSA (calculated based on actual Hotel Sales and Use Tax transferred to the WCSA) for fiscal years ended September 30, 2016 through 2025.

K. ACTUAL EVENTS BY FISCAL YEAR

Table 14, as Required by the CDA

Fiscal Year	Actual Number of Events	Number of Attendees ⁽¹⁾
2021	24	118,119 ⁽²⁾
2022	95	439,219
2023	117 ⁽³⁾	702,110 ⁽⁴⁾
2024	114 ⁽³⁾	677,915
2025	114 ⁽³⁾	781,951

(1) Attendance may be restated based on updated information received from the event sponsor. Many conventions report final attendance months after the event registration database is reviewed for duplicate entries and other data entry errors.

(2) The Convention Center operated under pandemic restrictions for most of Quarter 1 and Quarter 2. During those quarters, the Convention Center hosted 32 events with a total attendance of 185,004. Pandemic restrictions were lifted just prior to Quarter 3.

(3) Citywide events, in-bloc hotel room pickup and associated economic impact are at fiscal year 2023 levels and attained pre-pandemic level during fiscal year 2023 and 2024.

(4) Six public ticketed events and one Citywide event did not return in fiscal year 2023. These events appear to have gone out of business. One public ticketed event has significantly reduced its occupied space and its attendance from pre-pandemic levels. WCSA estimates the combined total lost attendance from these events at approximately 251,000.

Note: Unlike venues that depend on direct sales from ticketed admission events as a primary revenue source, attendance is not a key performance indicator for major convention centers. Convention center revenues are based on rent and certain ancillary services revenues. Attendance is useful for measuring venue usage and is a factor for determining per capita performance metrics, but it is not a true Key Performance Indicator (KPI) for measuring convention center performance.

(1) A major manufacturer pulled out of the fiscal year 2024 Washington Auto Show (and North American Auto Shows) three weeks before the Washington Show opened. The loss of major brands on display, including Chrysler, Dodge, Jeep, Alfa Romeo, Maserati and Peugeot, is believed to have significantly impacted overall attendance.

(2) Revised March 2026.

(3) Except for the public health use of the venue, Events DC was restricted by capacity limits until May. Regular event programming resumed in July 2021, with large events resuming in August 2021.

Note: During the 2022 winter surge of the Omicron COVID variant, the District reimposed mask mandates and vaccination checks/proof of negative COVID tests as a condition of entry into public buildings. The mandate was imposed immediately prior to the opening of the Washington Auto Show. This, combined with a significant reduction in Metro subway service, directly impacted the attendance of the Washington Auto Show; up to 50% of the Washington Auto Show attendees take the subway to the Show. The 2023 Auto Show returned to its pre-COVID attendance numbers.

The Capitol Hill Classic Volleyball Tournament and Awesome Con approximated pre-COVID unique registrants for fiscal year 2022. Public health mandates were lifted immediately prior to the 2022 Volleyball event.

VI. RECENT EVENTS–FUTURE IMPACTS

Due to the nature of the WCSA’s business, it is involved in several claims and lawsuits. In the opinion of management and legal counsel, the expected outcome of claims and lawsuits, individually or in the aggregate for fiscal year 2025, will not have a material adverse effect on the audited financial statements.

The WCSA evaluated the subsequent events and transactions through January 5, 2026, the date the audited financial statements were available for issue, and has determined that no subsequent material events have occurred that would affect the information presented in the accompanying financial statements or require additional disclosure, individually or in the aggregate, will not have a material adverse effect on the financial statements.
